Miss Mindy's 'Cartoon Folk Art' ranges from fluid ink drawings and paintings, to her fabulously handcrafted sculptures.

She is also a sought-after toy making aficionado, specialising in her one of a kind creations, and customising vinyl toys. Miss Mindy inherited her knack for art from her grandmother who was an ink and paint girl for the Walt Disney Studios in the '30s and '40s working on animated classics like Snow White and the Seven Dwarfs and Pinocchio.

Breaking away from traditional resin — instead opting to use more flexible vinyl has afforded the designers far more control over their sculpts. The resulting figurines have a much more dynamic appearance, and overall, an even greater level of detail.

Each vinyl figurine combines the magic of Disney with Miss Mindy's playful designs and signature details.
