ARTIST
Susan
Lordi

Susan Lordi's art reflects our relationships with people and the world around us. Her keen observation of the human form is further inspired by dance, art history, nature, and personal experiences with family and friends. These influences are revealed in her Willow Tree® sculptures, from which emotion is communicated through gestures only.

EVERYDAY *blessings*

MAY YOU BE BLESSED WITH
BEAUTY AND WONDER EVERY DAY

page 16

'I was thinking about making art that reflects the natural beauty all around us—that causes us to change our mood or lift our spirits... For me, beauty found in nature has this transformative power.'

'This figure presents the many small miracles happening all around us. Her open arms are a historical and universal gesture of blessings, both welcoming and inclusive. Her carvings, dotted with gold, of plants, flowers, birds, butterflies, the cycle of seasons, are the everyday earthly blessings that enrich our lives immeasurably.'

A BEAUTIFUL WISH FOR YOU...

'This is a very open piece, in which the giver and receiver participate in defining its meaning. The giver can fill in the wish—perhaps a hopeful wish for a future aspiration, or a wistful “missing you” wish, or a healing wish of comfort and friendship.'

Susan Lordi

26023 Sisters by Heart

*Celebrating a treasured friendship
of sharing and understanding*
Height: 13.0cm 📦

'I have two little granddaughters. One minute they're squabbling over a toy or jostling for attention, and the next minute, they're hugging and kissing each other. It's a constant back and forth of friend and foe. I'm watching them forge a relationship that will last all their lives.'

'I hope my granddaughters develop the closeness that I've always enjoyed with my two sisters. There's nothing like the love of a sister. It grows out of a shared history of funny, stormy, trying, joyful experiences...creating the foundation on which every strong relationship is built.'

27704 Sister mine

'These pieces have extensive handwork, distinctive effects and jewel-like materials used on them. I hope these will be seen as very special gifts — kept for a long time, or possibly handed down within families.'

Susan Lordi

Featuring beautiful distinctive colouring and textural surfaces, these figures are more columnar in shape and distinguished by ombre effect embellished with gold leaf dots.

HOPE / HEALING REMEMBRANCE

People often turn to tangible reminders of healing, comfort, hopefulness and remembrance in times of sorrow. Susan has carved expressive sculptures of peace and serenity in different sizes within the important bereavement category.

'I wanted this figure to be a strong message of hopefulness and healing. The gradations of gold and white suggest a glow from within. Vigil can be seen as a welcoming piece as well as a bereavement piece; a healing piece, a serene piece, a piece of comfort and mindfulness.'

ART ♥ HEARTS

Art Hearts is a collection of heart sculptures from DEMDACO® that takes the success of the iconic 'heart' and pairs it with the cool factor of being able to select just the right, uniquely 'you' heart design. Each heart features a colourful illustration from a popular artist in the gift industry, expressing sentiments of love, friendship, celebration, and thoughtfulness in the artist's one-of-a-kind style.
